

## Apartment & Roommate Preference Sheet

Please answer these questions honestly so we can make an effort to match you with an individual(s) who is similar in some ways to you. While living with someone who has some similarity to you may be helpful in a roommate relationship, there are many factors that go into this. We will do our best to accommodate your preferences, but they are not guaranteed. Thank you for your cooperation and please print clearly.

Name: \_\_\_\_\_ Age: \_\_\_\_\_ Major: \_\_\_\_\_

Community:                      University Columns                      University Place                      University Place II

I am a member of one of the following groups and request to reside in the same building/floor:

Band/Creative and Performing Arts                      Scholars College                      Student Ambassador/PLP                      ROTC
